

# ***DOWNEAST RACE WEEKEND AUGUST 12-14, 2011***

Co-Hosted by the Northeast Harbor Fleet and the Kollidgewidwok Yacht Club of Blue Hill

Join us in Downeast Maine for three fun filled days of PHRF sailing in some of the most serene and beautifully remote areas of the country. Start Friday at noon at Mt Desert's Long Ledge and sail all day through Blue Hill Bay for an evening raft up and party at Bartlett's Island near Pretty Marsh. Saturday's sailing will take us from Blue Hill Bay to Jericho and the Eggemoggin Reach with a rendezvous dinner and BBQ party at the Wooden Boat School in Brooklin.

Come join us for one, two, or three days of scenic sailing with long courses to keep things imaginative and stimulating. A wide range of boat sizes typically participates and each night and morning has an opportunity to swap crew and personnel out with access to docks and motorboat rides in and out provided if you wish.

Check out the NOR, Entry Form info at <http://nehfleet.org/>

As we get closer to race time, we'll post detailed driving directions to rendezvous locations and Sis.
